INDEX TO VOLUME LVIII 1990

SUBJECTS

Acquisitions
retail, 291–330

Air rights
in urban land analysis, 301–13

Appraisal (*see also* **valuation**)
critique of recent practice, 180–89
linear and nonlinear models, 249–53
increased accountability in profession, 347–52
professional recognition, 403–18

Appraisers
as arbitrators, 7–15
effective writing, 16–22
professionalism, liability, documentation, 505–11

Armstrong Award, Robert H.
Robert C. Mason, 1989 recipient, 4–5

Australia
qualifications, practices, standards, 366–72

Business investments
impact of cost and availability of finance, 551–57

Capital markets
relation to mortgage markets, 109–13

Capitalization rate
link between discount rates and, 190–95
projected growth in value, 324–27
use of debt coverage method to develop, 558–66

Carwash
valuation, 445–50

Cash equivalency adjustments
loan maturity effect, 512–16
stepped rate/stepped payment loans, 51–56

Cash flows
forecasting, 221–29

Commercial site valuation
by technique rather than direct comparison, 205–10

Comparable sales
process of selecting, 533–40

Cost approach
nursing homes, 202–04

Debt coverage method
to develop cap rates, 558–66

Development sites
issues and problems in urban, 301–13

Discount rate
328–33
link between capitalization rates and, 190–95
projected growth in value, 324–27
real rates, 23–28

Discounted cash flow analysis
83–87
software, 196–201
why the fear?, 395–402

Dividend rates
REIT, 386–94

Economic life of improvements
salt production, 44–50

Eminent domain
U.S. Supreme Court decisions, 29–43, 230–38, 334–46, 494–504

Entrepreneurial reward
estimation of, 254–61

Ethics
appraisal review, 160–67
codes of ethics, 168–79
increased accountability in profession, 347–52
professionalism, liability, and documentation, 505–11

Floodplain location
adjusting comparable sales, 114–18

Forecasting
cash flows, 221–29
projected growth in value using cap rate and discount rate, 324–27

Functional form choice
applied real estate analysis, 57–73

Golf course
demographics, buying power, demand, 468–77

Homewood, Alabama
adjusting comparable sales for floodplain location, 114–18

Insurance expense component
analysis of, 541–50

International appraisal
360–65
trends in global appraising, 353–59
Australian practices and standards, 366–72

Laws of real estate dynamics
314–23

Liability
codes of ethics as a basis for evaluating, 168–79
increased accountability, 347–52
documentation requirements, 505–11

Manuscript competition
Thomas Rodgers, 1989 recipient, 288–89

Market analysis
application of geographic information systems, 127–32

Market value
without a market, 523–32

Master leases
analyzing impact, 478–85

Models
linear and nonlinear appraisal models, 249–53

Modified sinking fund method
to estimate replacement allowance, 486–93

Mortgage markets
relation to capital markets, 109–13

Multi-family complex values
analysis of indicators, 379–85

Noncompete covenants
valuation and amortization, 211–20

Nursing homes
cost approach, 202–04
private-pay census and medicaid reimbursement, 461–67
sales comparison approach, 517–22

Present values
property investment analysis, 373–78
